From the Director.... Be a part of the T E A M

This year the Lord has put on my heart very strongly, the word TEAM: together everyone ac-complishes much. We would like you to pray about your part; to reach more people this year as never before.

We need those that will go and those that will sow. We want to develop teams to go into the major rallies to minister the gospel. If you can't go then ask God what He would have you sow extra to reach that extra person, to go that extra mile. Every team has a lot of different players and others involved that make the team successful.

These team people are on the field, off the field, replacements, coaches, fans, supporters, etc. It takes us all to achieve much. So ask God what you can do to help make this a supernatural year for the kingdom of God. Think about this ... even the fans are important for the support of the team, so consider buying a ticket, so to speak, to support the COL team that you're hooked up with and rooting for. Sow for souls. If you can't sow financially at this time, then commit to sowing your prayers of intercession. Again it takes us working together to accomplish much... (every joint supplies).

What are you willing to do for the kingdom that God has established for you? What part will you play as a team member of COL? Don't forget about our GED - 'God Encounter Daily'. We don't have to have an event to bring someone to the saving knowledge of Christ. Thank you for standing and being faithful to His calling.

This will be a supernatural year for those that pursue the supernatural. Your pursuit will determine your destiny. It's not the natural man who fulfills God's call; it's the supernatural man who will walk in it all! Chariots of Light—your home team!

COL Impacting the Kingdom ...

It truly is an honor to be a part of this ministry, Chariots of Light. It has done more to get me off the couch and the pew than anything else in my life. It has given me freedom, and responsibility to reach out to those that others either

disregard or have discarded as a society. It has given me the tools to take every opportunity to impact the Kingdom like never before. Thanks so much for your trust in me to take the mission and make it my commission. This will

SOW for SOULS

be a year that will change generations that we will never see, yet our fingerprint will be there through the calling and actions that has been placed on our lives. **J.F.**

“Your generosity is astounding and we know it will be so very appreciated!”

AUSTRALIA

“I was able to bless one of the released prisoners with a new bicycle for his son and he was very touched.”

CHARIOTS of LIGHT - INTERNATIONAL (Australia)

John & MaryAnn Pool - BENDIGO VICTORIA, AUSTRALIA

Just wanted you to know about our relief work with Operation Angel. To John and Chariots of Light: We are thrilled with your visit to our VIC warehouse this morning. John and MaryAnn Pool drove all the way from Bendigo with a ute FULL of items donated from their church: packet after packet of new undies, gorgeously wrapped new cosmetics for the ladies affected by the floods, shampoo and more! Your generosity is astounding and we know it will be so very appreciated!

Margaret Kalusevicius - CAIRNS QUEENSLAND, AUSTRALIA

Easter Sunday, April 24, is Joe’s home-going anniversary and COL Cairns are planning a ride and are hoping to do a ride by the prison and finish on a farm up on the tablelands for a late afternoon service. I had a great time while in Bendigo with John and MaryAnn. They look like getting into the prisons. I did not get to see Shaun Kenny. He emailed me after my return home to apologize. We have an ex-outlaw biker coming over next week and an outreach breakfast has been organized for Saturday, Feb. 26. COL Cairns are attending. I have been talking to the Bandidos about him and they are showing interest in meeting him. I have been invited to their clubhouse this Friday to meet with them and their president. All of this because of the relationship Joe and I have built with them inside for 5 years and I know they would not cause me any trouble. I was able to

bless one of them yesterday with a new bike (bicycle) for his son and he was very touched. He was released from prison 6 weeks ago and has not got custody of his children. These are lovely guys who have been seriously damaged but God loves them and does not see their outer appearance but the inner heart. Praise God, He enables me to see that too! I love my King and am humbled and honored to be used by Him. Bless you. (I was blessed with a webcam for Christmas and praying for someone to install it and show me how to use it so I can talk to you— skype).

Pastor Michael York - ALABAMA

Feb.2—Sharing Jesus Effectively class... We have begun a five week class on soul winning using Dr. Savelle’s book. The book is great as a text-book for encouraging people to win souls.

We started this class for the Chariots in our church and opened it up to anyone else interested. Not only are the COL excited about learning some simple approaches to soul winning, it is also sparking an interest in some people in church to win souls and an interest in COL! As a Pastor, it is very exciting to see so many with such a great interest to win souls.

Feb. 4—Harley Shop Trip... Three Chariots rode to the Chattanooga, TN Harley shop. On the way back, we stopped for coffee at the Waffle House and witnessed to Jessica, our waitress. She said she wasn’t ready at this time, but we shared with her the prayer of salvation to say and receive Jesus so she will know when the time comes.

Feb. 8—Bike Shack Trip... We rode to Centre, AL to the 411 Bikers Shack. One of the owners, Pam, allowed us to pray for her and her business. We reserved a spot to set up a tent at the annual 411 Biker Shack Crawfish Boil and Bike Show on March 19th! We also have reserved a spot for our tent on April 16th at Rick’s Cycles annual customer appreciation event.

Feb. 26—Monthly Meeting... We had great turnout with 15 Chariots and 12 guests. We ate, fellowshiped, went over vision of COL, had devotion, the upcoming outreaches, prayer. Also note, that we have our COL members to serve at our church as Ushers on the last Sunday of each month and help serve in the Altar ministry as well as give testimonies. We handed out three

applications at the meeting! People are excited and ready to go out and be a witness!

Wade Barker - ARKANSAS

This morning (2/16) I was able to witness to a coworker. He was unsure of his salvation and after sharing scripture and what the Bible says, we were able to reconfirm and recommit his life to Christ! Just wanted to share that as multitudes are about to come into the Kingdom this year!

Jay Frayser - ARKANSAS

Jan. 14—Bike Nite... We had a great turnout of riders, a total of 50 with 26 being Chariots. It was a short ride and we also had prayer and fellowship as well as COL exposure. The proprietor told us "You guys are a welcome change" and they enjoyed the COL very much.

Jan. 17—Riders Luncheon... We rode to Three Rivers by invitation with the Patriot Riders. We had lunch and exchanged club information. We prayed for the leader of a secular M/C club in the restaurant for salvation and healing!

Jan. 22—Cambria Coastal Ride... We had planned a ride to view the elephant seals birthing area on the coast. Severe fog and zero visibility dictated the ride to be cancelled and a local event to replace it. We had good turn out regardless with 17 Chariots participating.

Jan. 29—Man Alive Conference... We had 10 Chariots in this event riding to Porterville, CA.

Feb. 4—Bike Nite... There were 24 Chariots to participate in our Bike Nite where we had a short ride for a BBQ at Pastor's with fellowship and prayer. We laid the ground work for future events.

Feb. 11 & 12—Sweetheart Run... 40 Chariots and 20 guests rode to the Woodland Hills, CA. We shared the Word, had dinner, spent the night and rode up the beautiful Pacific coastline. We witnessed to many and had prayer for the sick. It was a

great ride of 541 miles. A first class event at the Hilton Hotel. We celebrated Valentine's Day with other COL members and friends (from Delano) lifting up and praising Jesus!

Del Emmett - WYOMING

We had our COL meeting at IHOP with 8 members and 3 guests present. We are a favorite of the restaurant—the waitresses drew straws to wait on us! Our waitress was afraid to ask for prayer at first, but when she did—an offering was given for her and the Chariots prayed with her! She wanted to get her children back. Praise God!

Daniel Duff— WYOMING

The youth group at my Church is called the Edge. I showed the word from the Lord that Bill sent us to our youth minister and she went wild. What a blessing this is to her and the kids and to our whole church! This could only be God to speak through you in North Carolina and to our youth in Wyoming. Thank You Bill for all you do to make this ministry happen.

George Galdeen - TEXAS

Both January and February, we had our monthly meetings with fellowship, food, and the Bible Study. Discussed upcoming events and tours for 2011 and reminded members to pay their dues.

Brandon Sanders - TEXAS

Jan. 29—Fellowship Ride... Met at North Pointe Church for a city wide men's prayer breakfast. We had 8 Chariots present and 9 guest. The Chariots then had a fantastic fellowship ride. The weather was great; great fellowship; great ministry opportunity.

Feb. 7—Monthly Meeting... We had 9 Chariots present and 5 guests. Our meeting went good and we're excited about others believing in what we do and wanting to be a part. Discussed our upcoming events, both locally and nationally and had the Bible Study.

CHARIOTS of LIGHT - Domestic - (TX)

Monty Van Horn - TEXAS

Feb. 1—Monthly Meeting... We had 6 Chariots and 1 prospect at our meeting. The meeting was very productive and we also celebrated our COL Area being one year old! We shared testimony and seeds sown for God's Glory!

Feb. 19—Fellowship Ride... We had 11 Chariots and 11 guests for a fellowship ride. The Copperas Cove Area COL joined us as well, making a total of 16 bikes! While we were at Horny Toad's for some food and fellowship—we had the opportunity to pray with a man that had recently lost a daughter and now has a grandson in the hospital.

Feb. 19—Valentine Dinner... Five of the Chariots from Gatesville joined us at the church (Highway to Heaven Biker Church) for a Valentine Dinner. It was a wonderful time of fellowship and sharing about what God has been doing in our lives.

Feb. 26—Fellowship Ride... We rode from Gatesville to Oglesby to Killeen and back with 6 COL and 3 guests. When we arrived at Oglesby for a "family day" - God had arranged a divine appointment for us. We got to visit with another local bike club and even made arrangements for an upcoming motorcycle rally plus talked about another two coming up very soon. One of our guys, Luis, had to make a go at the climbing wall and it was a good show! By the time he had almost reached the top, I was hearing voices of people I didn't even know saying, "Come on Luis" or "You can do it Luis!" I was taking pictures and cheering him on as well. He had told me he was scared of heights and that he wanted to do this so it was a personal thing for him. Just as he rang the bell and I took another picture there was applause and cheers from a pretty good

size crowd! I looked around at all the strangers and smiled at myself thinking what a witness! Yes, Christians can have fun too!

We spent a few hours at the Rattlesnake Roundup and then we headed out to get a bite to eat on our way to Killeen to meet some brothers and sisters from the local CMA chapter for some bowling. It is not every day that you see bikers pull up in a bowling alley parking lot either. We had a blast spending time together and the time of fellowship ended with a bike blessing.

John Patton - TEXAS

Nov. 20—Airport... We had 12 Chariots to help welcome home the troops from Afghanistan and Iraq. We applauded them upon arrival and presented them with bottled water and condiments as they passed by on to their individual destinations. Our being able to greet and encourage the arriving troops is a privilege that we have done in the past and look forward to doing again in the future. On that day, between 250 to 300 servicemen that passed through, some of them had spent several days traveling back in the bush to reach an airport. We are the ones that are really blessed on these occasions.

Jan. 11—Meeting/Ride... We had 8 Chariots and 1 guest at our monthly meeting. January's devotional was ministered. We discussed the outreach with the children home and scheduled a ride to the annual Bikers Expo in Fort Worth. We were presented an opportunity to aid in setting up a chicken ranch at an orphanage. We are considering that opportunity.

"Just as he rang the bell and I took another picture there was applause and cheers from a pretty good size crowd! I looked around at all the strangers and smiled at myself thinking, what a witness! Yes, Christians can have fun too!"

Dave Malkin Patch

To those of you who are interested, we have a new memorial patch available. Dr. Jerry Savelle, COL Founder, commissioned the Dave Malkin patch, as Dave was a very good friend and colleague of Dr. Savelle. Brother Dave was instrumental in his early Christian life to promote the importance of being a witness. Dave is the one who Dr. Savelle ministered with on the beaches in Pismo Beach, California years ago, winning hundreds to Jesus Christ and baptizing them in the Pacific Ocean. And most recently, during the multiple Thunder over Texas events, Dave was always right there training others and continuing to lead hundreds to Jesus Christ! Dave passed on to heaven and at Dr. Savelle's request, we are honoring the work of the ministry that God used him for. They are available by donation.
