Breaking Through the Impossible

By Dr. Jerry Savelle

I am going to make you a promise. The prayer of petition will enhance and enlighten your prayer life. It will change you. It will make things happen. It will bring you to places you never could have otherwise gone. You know as well as I do, that if there is anything the Church needs right now it's an energized prayer life that brings results. The fact is, there are some things that are happening in the spirit world right

now that will never manifest in the natural if its not birthed in prayer. That is why I wrote my new book, The Prayer of Petition.

You know what? I don't pray because it makes me feel spiritual or so I can be holier-than-thou or because it makes me look or feel good. I pray to get results. Friend, I believe in the power of prayer, and I also believe that the Bible teaches us spiritual principles that we can apply to get results in our prayers sooner than we think.

I want to encourage you to learn how to apply the prayer of petition, to never give up in prayer. Your attitude should be to pray always.

I believe the Prayer of Petition will open people's understanding about this powerful biblical tool for getting results through prayer. Its time to get your prayer answered. Learn to pray the prayer of petition and watch God divinely operate in your impossible-looking situation and bring about His best for your life.

“We prayed healing over this man and he went to the doctor They told him the tumor was gone ... !!!”

Chariots of Light

RAINSVILLE, ALABAMA We had our January meeting with 11 members and 9 guests! We went over 2011 goals, had our Bible study, prayer requests, and appointed members to responsible tasks for the year like treasurer and secretary. Everyone had an excitement for this year's ride and being able to reach souls for the kingdom. Quite a few new people that are interested in this ministry. We are about winning souls this year and not just riding.

We also will start our “*Sharing Jesus Effectively*” class this Wednesday night (Feb. 2) and will run it for the next 5 weeks. We are excited about that too! We have asked all our Chariots to attend and purchase this book by Dr. Savelle as our text book for this class. We have had great response.

BENTONVILLE, ARKANSAS We had our monthly meeting at the local BBQ restaurant. We covered the “Launch out into the Deep” Bible study. We reviewed the annual rides and outreaches for our local chapter as well as for the national level. There were more guests than members at this meeting! Praise God! There was a couple that came that showed some interest in the car club. They even drove their hot rod truck to the meeting.

We ended the meeting with prayer for family restorations, healings, and fresh fire for everyone.

MINDEN, LOUISIANA We had our first meeting of the year with 6 COL members present. The Bible study about “Launching into the Deep” by Dr. Savelle was great. It is so amazing how everyone is on the same page about this in the coming

year. We had great fellowship and talked about the up coming year and how we were going to serve in the COL ministry. This is going to be a great year and it has already started. I have a praise report.

Three of our COL guys were asked to come pray for a man 6 months ago. This man had a cancerous tumor in his neck and blocked arteries to his heart. The doctor told him he could not operate on him because it would kill him so he would have this condition the rest of his life. We prayed healing over this man and he went to the doctor last Monday. They told him the tumor was gone and the arteries were clear!!! Glory to God! They gave him a clean bill of health and the doctors are amazed but we are not! Because we serve a big God. Thank you, Jesus!

BROOKLYN PARK, MINNESOTA Our first meeting of the year, we started planning out the calendar for the year, both national and local rides and events. We had a lot of guests at the meeting to check us out. I talked about the difference between rides and the outreaches. I encouraged everyone to get involved and go out with our evangelism teams to prepare them for the outreaches. I also ministered to them about faithfulness to the ministry. Wearing COL patches means you work the monthly meetings and rides into schedules. And you believe God to go on at least one national ride or outreach a year. Involvement does mean participation.

BETHEL, OHIO We collected COL dues at our monthly meeting and discussed national and local rallies and outreaches to participate in this year. This month's Bible study paralleled the message from our Pastor. Good meeting!!

Chariots of Light ...

GALION, OHIO We had a very good January meeting. We set goals for 2011 and had our Bible study.

BASTROP, TEXAS We had an awesome January meeting and 1 couple attended and are interested in joining COL!!!

COPPERAS COVE, TEXAS Brandon Sanders accepted the leadership position from John Mills and is so excited and we are too!! We had 14 members and 6 guests attend our January meeting. We had prayer, unity, and re-ignite of fire within. "I'm so excited.. And I just can't hide it..."

On January 23, 5 COL members rode to the Bandidos MC January Jam. We were only there about an hour, but we let our lights shine in a very dark place. It went good. We weren't able to lead anyone to Christ, but we did let our light shine. (We joined up with some COL members from Gatesville for this).

GATESVILLE, TEXAS January 8th, we rode to Glen Rose to tour the Evidence Museum. We had 12 participants; 6 of them COL. Everyone had a blast.

On January 29th, four of us had an impromptu ride. In the parking lot of an office supply store we got to visit with a pastor of a church that he had recently let shut down since no one was coming. He was encouraged to see us. We sent him off with a prayer and words of encouragement.

SAN ANTONIO, TEXAS Our January meeting had 5 attending, only 2 San Antonio were there. The other COL were from the New Braunfels area that came up for support and to give us ideas on what kind of events we could do in our

area. We had 2 guests that are considering becoming COL. Also, I work with a local food ministry where I go nearly every Thursday morning if possible. So far this year, we have seen 10 people get jobs that we have prayed for and we've had 3 salvations! Praise the Lord!

WYTHEVILLE, VIRGINIA We had our monthly meeting and one guy came back here from Florida where he went to motorcycle repair school. We prayed for him a job, and to renew his life with Christ. We had our Bible study, which was a blessing.

ROCK SPRINGS, WYOMING We had a member given a bike! One of our COL couples gave another COL member their Gold Wing that had been ridden on the Montana Tour. Praise God!

INTERNATIONAL

CAIRNS, QUEENSLAND—AUSTRALIA We've approached the big bike shop in town about doing a BBQ to raise funds to run a camp for prisoner's children which the Bandidos are keen to help us with. Praise the Lord! We had previously attended the Bandido's Christmas BBQ. We were welcomed by all members of the club and were treated with respect and honor and had opportunities to share Jesus with some of the members! They've invited us to attend a couple of their rides.

Also, we plan to have a "Memorial Run" for Joe in April.
