DAYTONA Experience ... from the Director

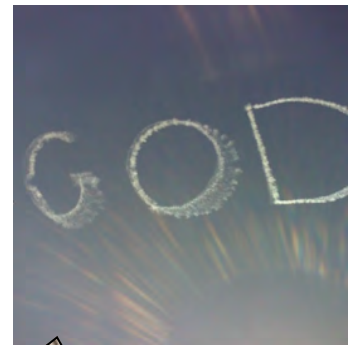

Daytona was an awesome outreach! God did so many things. *Luke 4:19 (amp) ... the Day of salvation and the free favors of God profusely abound.*

We had more first time salvations at a COL outreach than ever before! As I say, we always go to learn from the Holy Ghost and He showed us many things. Our goal is to become more effective for the Kingdom of God. To help make disciples; to become more effective to win the lost!

We ministered the Gospel, the Good News, to people from all over the world at Daytona Bike Week.

The Lord spoke very strongly to me about influence and entrance while we were in Florida. Think about it ... Selah ... The influence of the Holy Spirit allows entrance of our Lord Jesus Christ into others lives. Our job is to become more effective to bring in a great haul where we call for others to help pull in the net!

Ginger added that it's the love of God we share with the sensitivity to the Holy Ghost. Its what they need and we need. What an honor to "GO" !

There were signs in the heavens above People asked us if we set that up We didn't, but we liked the effect !

DAYTONA OUTREACH ... T E A M Effort & Glory to God !

March 4 - 13, 2011 in Daytona Beach, Florida. Chariots of Light had a 10 x 10 tent space set up outside the Daytona Speedway. We had a total of 18 Chariots of Light that came to shine their lights and be a part of witnessing at the tent to the rally attenders. Thanks to our Florida COL President, Chris Cochran and his pastor and church, Wayne Cochran, Voice for Jesus, for all their support. Most of our COL participants were from out of town - even out of state. We had 8 Florida COL assist, the other 10 were from Texas, Kansas, South

Carolina, Louisiana, North Carolina, and Georgia. Then later in the week, we had two guys from the local church come out and begin to witness with us ! We liked seeing the fire spread!! Prayer was at 7:30 AM every morning of the event held at Word of Faith Family Church where Pastors Steve & Cheryl Ingram were a blessing to us all. We had the free favors of God profusely abounding ...had a radio spot one day for 20 minutes, then another day for an hour - FREE! WOFC provided a place for us to gather for prayer as well as offer fresh

coffee and pastries each morning after prayer. For three days, lunch was provided for all the volunteers by a church member. We rotated our schedules going by the church to eat. Then one morning, the church had a Men's Pancake Breakfast and allowed all the volunteers to come and eat as Bill Horn shared. This really blessed all the COL volunteers with their trip expenses. What a great TEAM that God put together for this outreach. Looking forward to more! (Read more testimonies inside...)

BENDIGO, VICTORIA, AUSTRALIA

March 21 - Just realized I didn't put in a report for February. Sorry! Had intended to do it after our ride on the 19th of Feb, but the Christchurch, (New Zealand) earthquake hit and as my mum was caught right in the middle of it, I guess I just forgot until now. Praise God, mum was safe, but dealing with PTSD now. Also, to top it off, the night before she was to fly home, someone broke into her hotel room and stole her handbag with all her personal effects in it! Passport, airline ticket home, credit cards, glasses, camera, mobile phone, but the worst of it was her wedding and engagement ring were in her bag too! All gone.

Poor mum ... she was devastated! Anyhow we prayed for her and I told her I believed she would get her rings back and that we would stand on God's Word that all the locust had eaten would be restored. Then I texted her stolen mobile phone and left a message for the thief that ... God sees EVERYTHING! Funnily enough, her empty handbag was found with nothing left in it but her Bible, but last Friday she received her wedding ring and engagement ring and her glasses in the mail! Praise God

March 31 - The Bike Expo was awesome. We were able as Chariots to serve the motorcycle community here in Bendigo and make connections with the Committee who have asked for our help in putting together next year's Expo! The Director was so appreciative of our members volunteering their time for the Expo. We all worked so hard and truly shone as lights

for Jesus! Many seeds sown, which now we will proceed to water over the months ahead. God is Good! We are sooo busy with all sorts of things here ... John's work is insanely busy ... we are believing to join you on the Carolina Tour !! Will need to know details asap as the attack on our finances is ongoing! Thankfully the enemy is defeated ... so join us in believing and the three of us will see you in October!! :)

Mum is doing well and no longer needs counseling! I think the return of her rings really spoke to her of God's faithfulness in all things! Great to hear from yas ... miss ya heaps ... you really need to come back down under for a proper vacation. Luv yas.

March 31 - Email Thank you for your prayers and support. The prison is on fire (for God). We baptized a man yesterday in a laundry tub and many are seeking the Lord and finding Him. The prison cleared the installation of God TV this week so I am coordinating that. HOW GOOD IS GOD! I am praying about COL and waiting on the Lord as I trust you are also. It is coming up a year since Joe left and it is no easier but for the Lord I would not still be here. Bless you.

Our Chariots monthly meetings occur on the first Monday of every month. Our meetings are held at the church then traveling to various and diverse locations as set out by the ride captains.

TORONTO, ONTARIO, CANADA

Adrian Weening

We just added two new members in Canada. One in Ontario and one in Alberta. God is good. Plans are also being made to see if a bunch from here can join the Route 66 tour in May. Also want to share with you this great news. In October of last year, a gentleman came to us at a conference we were involved with and said he had been watching us as a couple over the few days and wanted to sow into our lives personally. We did not know this man. At that meeting in October, he presented us with a blank check, signed by him, made out to us. We were blown away and said we would pray about the amount so that it was right for him as well as us. We did not rush but prayerfully considered what was right. Long story short, this past Friday, (March 12), the check was made out and deposited in the amount equal to what we had personally spent on the COL ministry trailer as well as the truck that we purchased to pull the trailer. The tithe was also added to the check for the value of the truck and trailer. God is good and our seed is producing harvest. We love and appreciate the two of you and wish we could fellowship more often. Chariots is close to our hearts and we have our faith active on COL's behalf.

DR. JERRY SAVELLE will be ministering in Ontario, Canada in May 2011. (May 1- 5). Be sure and contact the JSMI-Canada office for more details.

ALABAMA ARIZONA ARKANSAS

FT PAYNE, ALABAMA—Randy Traffanstedt

Thirteen COL and 5 guests set up tent for an outreach at the 411 Biker Shack Annual Crawfish Boil. We witnessed and prayed with many people. We had 92 Decisions for Christ. 29 professed healing. 3 first time salvations! Praise God!!

RAINSVILLE, ALABAMA—Mike York

Feb-March— We had our 5-week witnessing class at our church, Destiny Church International, using Dr. Savelle’s book, “Sharing Jesus Effectively.” We had 16 COL attend and 11 guests. We gave the tools to be a witness as well as removed a lot of fear and uncertainty. God lit a fire to win souls in many that attended the classes! This was not only a blessing for our COL but for our church as well.

March 15— One of our COL and a friend went to lunch at Cracker Barrel in Ft. Payne. They led a young lady to Jesus with her saying the prayer to receive Jesus as her Lord and Saviour!!!

March 25—Michael York and Bill Horn ate dinner at the Santa Fe Restaurant in Ft. Payne and witnessed to the waitress and won that young lady to Jesus. Her name is Tawnya and she said the prayer to receive Jesus into her life!

March 26—We had our monthly meeting with Director Bill Horn speaking to the group of 19 COL and 3 guests! We ate and fellowshiped and listened. We enjoyed the encouragement from Bill Horn and the creative ideas for witnessing. People are really excited about being part of this ministry and going to be a witness. You can see growth in them.

MESA, ARIZONA—John Amato

Last Saturday (March 26) we had 20 bikers go for a ride and fellowship dinner. The Todd’s are doing a great job and hopefully we can get some of these that rode signed up for COL. Each week we ride after Sunday service for lunch. I

believe Arizona is starting to take off now. We are going to hook up with the Nevada group sometime soon. God is great! I’m expecting a lot of salvations this year to report. Blessings to you.

MESA, ARIZONA—Rick Todd

Feb. 12 - We went on a ride with the Black Sheep and had some good fellowship. Things at the church here are going well for us. I am starting to begin to get filled up again, how refreshing! I went a few Sundays ago with another couple of which she attends church and he doesn’t. We had a nice ride and they/he really enjoyed it. We had the home group pray over some cloths and I am inserting them into projects done in the shop, believing for safety, prosperity, and a hunger for God. It is a way for the non-riding church members to get involved.

March 12 - We had six bikes for the ride. The shop is proving to be a great avenue to approach folks on riding with us. Our contact list is now up to 7 !!

ROGERS, ARKANSAS—Wade Barker

I was able to witness to a coworker. He was unsure of his salvation and after sharing scripture, we were able to reconfirm and recommit his life to Christ! Just wanted to share that as multitudes are about to come into the Kingdom this year!

BENTONVILLE, ARKANSAS—Jay Frayser

We had our monthly meeting with 28 and gave all the local and national updates as well as covered the Bible Study “Let God Show Himself Strong.” We prayed for healing in a few members. The most exciting of the meeting is that some friends that occasionally come to outreaches and meeting brought an ex-Hell’s Angel. We were able to sow some time unto him, hoping we will see him again this month at a meeting or ride. I believe that this season is going to be transformational for COL nationally, as well as each chapter. I look forward to what God is doing in this season. Heaven is going to open up on earth like never before. The Kingdom of God is at hand and we must be diligent in our actions and words.

CALIFORNIA

HAWAII

MINNESOTA

VISALIA, CALIFORNIA—Aaron Baker

March 4—We had a great time of fellowship at Bike Nite where we rode and ate dinner at “Black Bear Diner” with 15 COL and 4 guests attending. We had prayer, planned future COL events and had fellowship. We had healing prayers of agreement for a fellow COL member given a bad report from the doctor.

March 12—We rode with hundreds of other bikers in the Wild Hog Chili Run with 9 COL and 2 guests. It was a charity ride for autism. We witnessed to many and had lunch in the park. Great exposure for Jesus and the COL. We shared the prayer of salvation with one man!! Praise God!!

March 19—We did a lunch ride, witnessing to the owner of the Mexican restaurant where we ate. We fellowshiped with COL members from Hawaii. We had prayer for COL Leaders, an inspirational talk by Pastor Joshua Bulger and discussed the Laughlin Outreach. It was a great time in the Lord with like-minded believers.

March 27—Tonight a friend of Dianne and I, who is a minister, came over to our house and brought a friend with him. We talked about the 2011 Laughlin River Run and prayed for this event. Praise God, Bill, this will be a supernatural event, over the top and long remembered in Laughlin, NV, as the day the Chariots of Light bring Jesus’ Message of Love to this city!

HONOLULU, HAWAII—Oscar Pouoa

We had a bike ride to the Shriner’s Hospital for children on Sunday, Oct.24. About 500 bikers showed up from various clubs. The children had their faces painted for fun, but not by us. We got to pray for a few of them and took them out to see all the bikes. It was an awesome time for us (Damian, Kevin & I) to display our faith and colors. We felt that we not only blessed the children but also ministered to the bikers who looked on as we prayed. God is definitely working through us as we continue to promote the Kingdom and COL.

MINNEAPOLIS, MINNESOTA—D. Petersen

March 2—Two COL and their spouses attended a local Business Round Table Prayer where I had been asked to come through my wife meeting them at another function. We met a lot of interesting believers including the GM of the Harley store. They had a meeting and we prayed. Contact was made with a media company from Minneapolis who asked if Chariots would be interested in helping them out with a benefit ride this year. This room was full of business leaders from Elk River, which is about 24 miles from our church, Living Word.

March 20—Our monthly meeting had 12 COL members and 6 guest present. We invited the Parenting with Purpose Organization to share about the COPS run on June 26 that we will be supporting. We also talked about the upcoming Route 66 tour and the South Dakota tour!

March 27—Five COL and 1 guest attended the Donnie Smith Bike Show and was able to pray for one person’s healing. There were a lot of nice bikes at the show and swap meet. There were a number of hard core clubs on site, including Hell’s Angels (from as far away as the Illinois Chapter).

We not only blessed the children but also ministered to the bikers who looked on as we prayed.

“The April COL Outreach at the Laughlin River Run in Nevada will be a supernatural event, over the top and long remembered.”

A great time in the Lord with like-minded believers!

LOUISIANA

DESTREHAN, LOUISIANA—Roy Holten

Ever since Brother Jerry came to our church in October, Kenney Day has wanted to join Chariots. While we were on that tour (Cajun Tour), God told me to bless Kenney with my Road King. He has been more on fire witnessing to people about what God has done. They can't believe that someone "just gave" him that motorcycle. Nicole (his wife) had "no" desire to ride until she had a chance to ride on the Road King. Once she did, in her words she "gets it" why we like to ride. Now she wants to ride more than Kenney does and is always asking him if they can go on a ride! They are godly people and have a lot of respect here at the church and the ministry. They are both leaders in the church and lead a home group. We are sooo excited they are now a part of COL!!

MINDEN, LOUISIANA—Ken Collins

Everything is going great. We had a COL meeting with 5 members and 4 guests. Two of the guests are really interested in riding with us. I told them that would be good. We'll get a chance to get to know them and them to know us. The Bible Study was awesome. We had a lot of discussion. We also talked about upcoming rides.

We went on a ride last weekend and ended up riding with the 1% support club Gray Ghosts which I used to ride with before I gave my life to Christ. It was a good time to sow some seed into them. I got to talk and tell them God loves them and has a purpose for their lives. I was asked by one of the Gray Ghosts members what made me give my life to Christ, so I gave a little testimony to everyone about the love I have for Jesus! Praise the Lord!

OHIO

BETHEL, OHIO—Jack Morel

We had good fellowship at our monthly meeting and were praising God for what He has been doing in our group. We are looking forward to the upcoming riding season. We have been praying for the Daytona outreach. The Bible Study (Feb.) is certainly a word in due season.

We were not able to have a March meeting due to my work schedule but plan to be right back on in April. I got a new bike in December, Street Glide 103.

GALION, OHIO—Bob Bauer

We had our Feb. 26th meeting at the local bowling alley. We had 5 members and 1 guest present. This was a great get together with fellowship and snacks afterwards. We got to pray for a woman's blood pressure. We are planning local events for the spring and summer.

ROCK SPRINGS, WYOMING—Del Emmett

Looks like an awesome year coming up for the Chariots. We are excited! The band and the park are already booked for our annual Dean Quail against Cancer Run on July 30th.

SHERIDAN, WYOMING—Daniel Duff

Even though there are only 2 of us, we still did our February Bible Study at the meeting!

TEXAS**HOUSTON, TEXAS**—Roland Ramirez

Our neighbor, Susan, was diagnosed with prostate cancer. Last year I led her to salvation. She has used the power of prayer to resist illness. Surgery was already set for her. One night, while walking our little dog, she ran out of the house and stopped me. She stated that she was going in for one last checkup before surgery. She asked for hands to be laid on her and prayer submitted. I did so. A week had passed and no sign of Susan. One night, I was again walking the dog when Susan came running out of her house up to me. I asked about the results and the surgery. She stated they did an x-ray and MRI days ago and they came back negative! No tumors or cancer in her body! Today she is cancer-free. All praise be to God !!

My family and I had become ill. I had a severe case of bronchitis and Dena had walking pneumonia and Isaiah had a severe upper respiratory infection. We were sick for three weeks straight. Isaiah had become so ill that not only did he have a high grade fever, not only was he unable to breathe properly, not only did he have trouble holding down food and liquids, but his nasal cavity had become so infected that it swelled completely shut. The doctors told us that they would give him a series of intense antibiotics for 3 days and if that did not work, they would admit him into the hospital. Isaiah (who is only 8) and we set ourselves to enforce the healing we already own. We continued to fight the illness off of us and especially him. Dena and I were feeling well within a couple of days as it grew closer to the deadline to see if the antibiotics helped. Suddenly, it was as if over night, Isaiah began to feel better and no trip to the hospital. Thank you Jesus!!

SAN ANTONIO, TEXAS—Charlie Ray

I am very encouraged what the Lord is doing. We are very glad to be a part of Divine Fellowship Ministries and Chariots of Light. We are part of a weekly food distribution to over 150 families. We give away about \$75 worth of food per box. The Word is preached while the people are waiting for their boxes of food. We bring them down 50 - 75 people at a time where we preach to them for about 10 minutes, then give them their food. We can give 4 -5 short sermons a week.

Feb. 24 - We had 2 salvations and many people were prayed for.

March 3 - We had one special request. We had a homeless man living in his car come in. The Pastor asked if I would minister to him. He needed a job and a place to stay, so after listening to his requests, I told him I would come into agreement with him for a job.

March 10 - The homeless guy I prayed for last week got a job fixing rent houses and a rent house to stay in. A lady that Dale & Sylvia prayed for got healed of all her serious illness. A lady I counseled with on unforgiveness did what I told her and was set free. Numerous people we prayed for got jobs, got healed of the flu and other diseases. Great time in the Lord !

March 17 - We had two salvations during one teaching session. We also had one rededication.

March 24 - We had 1 salvation while teaching on the blood covenant. It really helped a lot of people understand who's got their back in Christ Jesus. We also counseled two people on the authority of the believer and the power of prayer.

Chariots of Light at a 2008 COL Texas meeting. Great to still see familiar faces!

NEW BRAUNFELS, TEXAS—Dale Moore

My wife and I ride with New Braunfels Chapter. In 2009 while the COL Texas tour was going on we had stopped at the Gruene Harley dealer and my wife Sylvia got on an ULTRA CLASSIC 2010. Pastor Jerry came by and we both said to him, "one day"... and he replied and came into agreement with us. PTL the picture tells the rest of the story. The bike will see it's first prison event the weekend of April 14-16 in Abilene, Texas. Oh yes this is a 2010!

GATESVILLE, TEXAS—Monty Van Horn

March 1 - We had our monthly meeting with all 8 COL members present along with 2 guests. The highlight of the evening was after the meeting we mounted our iron horses and rode down to the park where a young couple is living in a tent and we blessed them with a large pizza we had left over. Oh the blessing at seeing them smile was awesome!

March 12 - We had a fellowship ride and then participated in the Legion Post #223 Cancer Fun Run. We registered and visited with some fellow bikers we had not seen for months.

March 19 - We have been witnessing to these two for quite some time. She was in a near death experience from last motorcycle accident and seeking a relationship with God since. He came forward his very first visit to the church but comes to church now just once in a blue moon. We had a great time of planting seeds while we helped them move.

March 24 - We had 6 COL along with 6 guests attend the visitation for Paula Allen who went to be with Jesus. Pastor David Allen was touched to see us there as Paula (his wife) was especially excited about the motorcycle ministry. Then we had 4 COL and 3 guests attend the funeral.

TEXAS

FORT WORTH, TEXAS—George Galdeen

Praise God! We had a great time ministering to the homeless downtown at Beautiful Feet Ministries. We had two confirmed salvations and many more that we prayed for and gave hope to. We had 7 bikes with 8 able bodied ministers of the Good News of God's mercy and grace. The Chaplin there at BFM has asked Chariots to minister the Word at next month's Friday night Bike Nite. We plan to go the rest of the year through October on the last Friday night of each month to BFM to share God's love and mercy to those who need it most.

GRANBURY, TEXAS—Howard Zimmerman

The Friday night COL outreach was awesome. While being a part of it, I was reminded of God's mercy that was given to me when my life was in despair and was searching for some hope (God was not in the plan). God showed me His mercy when He sent strangers to me that picked me up—cleaned me up—and stood me up and told me that God was good all the time. All I had to do was let Him into my life. Those people had a presence (a shining light) that I wanted. PRAISE GOD!!

CANYON LAKE, TEXAS—Steve Moore

Feb. 19 - We had our monthly meeting in San Marcos with lunch at Woody's BBQ. We had prayer for 4 COL members who are standing in faith for their healing and we prayed for continued improvement and long life satisfied. We had corporate prayer for the Daytona outreach, believing for many lives changed!

March 12 - We had our Day of Champions at Hays County Juvenile Center with Sixty-One Praise Band from Tree of Life Church engaging 97 cadets and staff in worship. We had Hiram Torres as our platform guest giving his gang and prison testimony. When the program concluded, we gave the altar call to the entire facility in the dorms. COL members had a total of 35 salvations and 7 re-dedications!!! It was an amazing day in the Lord !

DAYTONA OUTREACH EXPERIENCES

Chris Cochran: Thanks for everyone that made it there and for those that helped financially. You all were a great help in making it such a success. 1042 ministered to !!

Ken Collins: This is what its all about when it says "GO" in the Bible. The outreaches are the way. We are there to bless people and so many different cultures. The outreach teams are so united and that makes us just that much stronger for God.

I witnessed to a boy and his father. The father was a Christian but his son was not. He had never been saved but after witnessing to him and following the Holy Spirit, he became born-again! He began to weep and the power of God was all over him. That is just one of the experiences God led me through. I learned something new everyday by listening and watching my team mates. It takes everyone of us to get the job done and I was blessed to be one of them. Dr. Savelle has told us that we have to be more sensitive to the Holy Spirit and when you're on an outreach like this, it is so true. We would meet every morning and pray before going to the outreach tent. I want to thank the outreach team for all their prayers and teaching I acquired on this outreach. I love being a part.

Tim Kolb: We had people from every walk of life, from every age. We had Jews, Muslims, New Age, etc. We had old men, young men, and even children receive Christ as their Saviour! Even if we couldn't get them to pray, NO ONE walked away without having the Word sown into their life. And since God's Word doesn't return void, I believe that every person we talked to has had a life-changing experience with God!

Dale & Sherrie Hawn: It was a great harvest time for COL team of "Holy Beemers" to let their light shine God's love to many hurting people.

Susan Bilic: I have not witnessed to the "motorcycle crowd" ever. I have gone on the streets, to the needy, and in the prisons, but not to a rally and to people who were not really "expecting" to hear about the Lord. I was not that comfortable to approach others and mainly stayed back and prayed. The experience has re-ignited my desire to share the Lord with others and to touch them with "His" touch of love every opportunity I get. There is nothing more important that loving and sharing Jesus with others.

Jack Martin: I do believe we made a difference to a lot of people we met.

David Broyles: 8 days that the Kingdom of God came on earth as it is in heaven, in the lives of over 1000 people! Of these face-to-face encounters with the Christ that lives in us, there were more than 100 people that became Kingdom citizens being born-again! One experience was when 2 men stopped and I began to minister to one of them. As the conversation continued, he said that he was a minister. He asked how we operated etc. and I started to explain when he said to "try it out on Bill", the man that was with him. I explained to Bill what we were doing, thinking that he was the minister's associate or something. At the end, Bill prayed the prayer of salvation and became born-again for the first time !! To be a part of a ministry team that focused on leading people to Jesus is an awesome experience.

It takes everyone of us to get the job done and I was blessed to be one of them.
