COL MONTHLY MESSAGE – AUGUST/SEPTEMBER 2018

Hello there Chariots of Light!

Hello to you all. I want to thank each and every one for being a part of the ministry of Chariots of Light. What a journey we have had. Celebrating 20 years of Chariots and over 200,000 people receiving Christ. ALL GLORY TO GOD! The number of lives that have been changed has been amazing. Amen?

One of the greatest things is how it's changed our own lives as well as yours into becoming more like Jesus every day. To become more acquainted with Him. His ways and His desires becoming your desires.

I'm so grateful for all of you who have been chosen to be a part of this unique special end-time ministry. I'm sure you agree, there is none like it. Our covenant relationships with a focus for the ministry of Jesus and the Holy Spirit. God is good!

He has taught us not to seek our ways and man's ways but the way of His Word empowered by the Holy Spirit. We witness in each of our COL events, the unique plans God has for us to reach out to each individual person and touch their life in a way that only He could do. And then to see their expressions and experience the effect of a timely Word that only God could bring. To bring healing to the hurting heart and manifested healing to the sick. To release pain from people's bodies through the power of God's Word and Holy Spirit. What an amazing privilege we've been given!! Not to only be a disciple, but to experience His Glory! His goodness, presence, power, and unconditional Love.

We've completed our outreach in Sturgis during the Black Hills Rally in South Dakota. The Holy Spirit spoke to my heart for the outreach and said, "Nothing as Usual". So we took those three words from the Holy Spirit and brought them into experiencing God's Glory.

We ministered the Gospel to over 6128 people; 4082 people receiving Christ, 72 healings, 12 filled with the Holy Spirit. Glory to God!

The witness to others of our new outreach trailer set up behind the Harley Davidson dealership in Rapid City was amazing. The testimony from that alone was worth the whole trip. Just to see how God's hand was upon us. Our set up being the only one that wasn't affected from a late-night storm of damaging high winds and hard rains. Other vendors around us were asking for us to pray for them the next day! His presence and miracles are manifesting like never before. Praise Jesus!

This is the time we are in. If you seek Him you will find Him. When you find Him, you will experience Him. He's always found in His Word and expressed through the Holy Spirit and you!

Let's get back to 'Nothing as Usual'.

The word nothing means - nothing - not anything - no single thing - nothing of the past.

As means - in the present condition - the way it is - to the same degree or amount

Usual means - habitually or typically occurring or done; customary. normal, routine, regular, standard, typical, settled, traditional, expected, predictable, familiar, average, ordinary, everyday.

So, if it's 'nothing as usual', then everything would be the opposite and become unusual. Sounds like an atmosphere of miracles to me.

The word unusual means. - uncommon, abnormal, unexpected, surprising, unfamiliar, different, out of the ordinary, extreme, special, unique, peculiar, exceptional.

Defining those Words from the Holy Spirit! His Words will bring life to those who receive them. This word from Holy Spirit was based on Acts 19:11.

Acts 19:11 AMPC - God was doing extraordinary and unusual miracles by the hands of Paul

A time of miracles has begun. How do we see more of them?

Acts 22:14 (AMPC) ¹⁴ *And he said, The God of our forefathers has destined and appointed you to come progressively to know His will [to perceive, to recognize more strongly and clearly, and to become better and more intimately acquainted with His will], and to see the Righteous One (Jesus Christ, the Messiah), and to hear a voice from His [own] mouth and a message from His [own] lips;*

Acts 22:15 (AMPC) ¹⁵ *For you will be His witness unto all men of everything that you have seen and heard.*

Seeking His face, He will show you His Glory! Seeking the ministry and Love of Jesus and the Holy Spirit will always bring supernatural results. Results that are out of the usual or ordinary. Every day seeking His ways and not our own. Not adding our words to His words, not adding ways to His ways, but letting Him add His words to us and His ways for us. Then we'll have more manifestations of the Holy Spirit. Seeking Him, His ministry!

We witnessed so many manifestations from the Holy Spirit. It would take me all day to tell of the encounters each one had. God is so good!

I want to encourage you to share this gospel every day with someone in your pathway. Someone you don't know. But someone who needs to know. The leading of the Holy Spirit will guide you to them. And the Love of God will compel them to you as well. The gospel has to be preached, that means shared. Please remember to seek Him, find Him and release Him.

God encounters daily. (G.E.D.) One more in the kingdom today. Today is the day of salvation. Let this become your usual and I'll promise that you will experience the unusual. When you share this gospel, it's equipped with signs, wonders and miracles. The sign of His presence, the wonders of His goodness, and the miraculous power manifesting the Love of Christ everywhere, every day as you go.

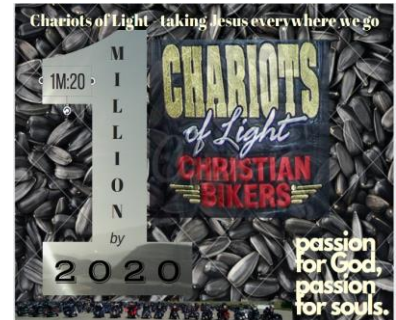

We love you and look forward to seeing you at the Chariots 20-year celebration in Crowley on September 27-30th. The next week, we'll be in Tennessee for the tour there on October 7th- 11th. And of course, the Lone star rally in Galveston in November! (Nov. 1st - 4th).

Remember your monthly meetings, daily encounters and of course, to report the results of the ministry that has been taking place. Leaders encourage your members and members encourage your leaders. Be encouraged to share – to preach the gospel of Jesus.

We love you and can't wait to see you and we will all experience His glory together every day, everywhere, in everything, and everywhere we go. **One (1) million by 2020!** Hallelujah!

We love and appreciate you all so much and look forward to seeing you and hearing from you!

God bless you abundantly!
